

receive\_queue\_push

```
graph LR; A[receive_queue_push] --> B[push_queue]; B --> C[is_empty];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'receive\_queue\_push'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'push\_queue'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'is\_empty'.
