

communication/communication.h

```
graph BT; C1[communication/communication.c] --> H[communication/communication.h]; C2[game.c] --> H;
```

A diagram illustrating file dependencies. At the top is a gray rectangular box containing the text 'communication/communication.h'. Below it are two white rectangular boxes with black borders. The box on the left contains 'communication/communication.c' and the box on the right contains 'game.c'. Two blue arrows point from the top-right corner of the left box and the top-left corner of the right box towards the bottom edge of the top gray box, indicating that both source files include the header file.
